### TO WHOM IT MAY CONCERN:

Thank you Aarons Landscaping for agreeing to and working on our Kindi outdoors at very short notice and for completing the project under adverse weather conditions and in a restricted time frame.

The space look wonderful! It has been transformed from a very 'tired' playground to one that is inviting to all - children, their families and our visiting parents.

The boys worked tirelessly and always consulted us on materials, positioning of structures, plants and safety issues. Aaron and Matt both came in at various times to assess what had been done and to give the workers guidance on the way forward. The work progressed smoothly because of the team's work ethic and their ability and willingness to communicate with me and my staff.

We now have a truly fabulous outdoors area thanks to Aarons Landscaping whom we would recommend very highly to anyone wanting a new look!
